Coverages A, B, C and D

The Company shall have the right and duty to defend any suit against the **Insured** seeking damages on account of such **bodily injury** or **property damage**, even if any of the allegations of the suit are groundless, false or fraudulent, and may make such investigation and settlement of any claim or suit as it deems expedient, but the Company shall not be obligated to pay any claim or judgment or to defend any suit after the applicable limit of the Company's liability has been exhausted by payment of judgments or settlements.

- (b) premiums on appeal bonds required in any such suit, premiums on bonds to release attachments in any such suit for an amount not in excess of the applicable limit of liability of this policy, and the cost of bail bonds required of the **Insured** because of an **occurrence** or violation of law or a regulation for civil aviation arising out of the use of the **aircraft**, not to exceed \$2,500 per bail bond, but the Company shall have no obligation to apply for or furnish any such bonds;

V. TEMPORARY USE OF SUBSTITUTE AIRCRAFT Coverages A, B, C, D and E

under Coverages A, B, C, D and E is extended to apply with respect to the use, by or on behalf of the **Named Insured** of any other **aircraft** not owned in whole or in part by the **Named Insured**, while temporarily used as a substitute therefor.

VI. SPECIAL NON-OWNERSHIP COVERAGE Coverages A, B, C, D and E

The coverage provided by this Agreement applies only if the **Named Insured** is one individual or one individual and spouse. Such insurance as is afforded under Coverages A, B, C, D and E with respect to the **aircraft** described in Item 4 of the Declarations, is extended to apply with respect to the use, by or on behalf of the **Named Insured**, of any other aircraft not owned in whole or in part by, or furnished for regular use to, such **Named Insured** or spouse. The insurance provided by this Agreement shall apply only to the **Named Insured** and spouse, if any, and their employers, if any.

VII. AUTOMATIC INSURANCE FOR NEWLY ACQUIRED AIRCRAFT All Coverages

If the **Named Insured** acquires ownership of an **aircraft** in addition to the **aircraft** described in Item 4 of the Declarations and within thirty days thereafter reports such acquisition to the Company, then the insurance afforded by this policy shall apply to such additional **aircraft** as of the time of such acquisition, provided that the Company insured all other **aircraft** owned in whole or in part by the **Named Insured** on such acquisition date. Unless the **Named Insured** and the Company agree otherwise, the Coverages and limits of liability pertaining to said additional **aircraft** shall be the same as is

provided for that **aircraft** which is described in Item 4 of the Declarations as having the greatest **passenger** carrying capacity, and the Insured Value of the additional **aircraft** shall be the actual cost of the **aircraft** to the **Named Insured** but not exceeding 150% of the highest Insured Value of any **aircraft** described in Item 4 of the Declarations. X. POLICY PERIOD, TERRITORY All Coverages

This policy applies only to **bodily injury** or **property damage** which occurs, and to **physical damage** losses to the **aircraft** which are sustained during the policy period, while the **aircraft** is within the United States of America, Canada, Mexico or the Bahama Islands or while en route between points therein.

EXCLUSIONS

(See also Items 5, 6 and 7 of the Declarations)

This policy does not apply:

- (a) Under Coverages A, B, C and D, to liability assumed by the **Insured** under any contract or agreement, but this exclusion (a) does not apply to the assumption by the **Named Insured** of the liability of others for **bodily injury** or **property damage** in any written hold harmless agreement required by a military or governmental authority as a prerequisite to the use of an airport or an airport facility;
- (b) Under Coverages A, B and D, to any obligation for which the **Insured** or any carrier as his insurer may be held liable under any worker's compensation, unemployment compensation or disability benefits law, or under any similar law;
- (c) Under Coverages A, B, and D, to **bodily injury** to any employee of the **Insured** arising out of and in the course of his employment by such **Insured**; but this exclusion (c) does not apply to liability assumed by the **Named Insured** under any military or governmental agreement referred to in Exclusion (a) above;
- (d) Under Coverages C and D, to **property damage** to property owned, occupied, rented or used by the **Insured** or in the care, custody or control of the **Insured** or as to which the **Insured** is for any purpose exercising physical control, but this exclusion (d) shall not apply to:
 - (i) personal effects of passengers, but not exceeding \$3,000 for each **passenger** in each **occurrence**, or
 - (ii) an aircraft hangar or contents thereof but not exceeding \$25,000 in any one **occurrence**;
- (e) Under Coverage E, to **medical expense** incurred by or for any employee of the **Insured** to the extent that such expense is payable under any worker's compensation law or under any similar law;
- (f) Under Coverages F, G and H, to **physical damage**
 - (i) to tires caused by any peril other than fire, theft, vandalism or malicious mischief.

(ii) caused by and confined to:

- (1) wear and tear,
- (2) deterioration, or
- (3) mechanical or electrical breakdown, failure or malfunction.

When used in this exclusion (ii) in connection with an aircraft engine or auxiliary power unit, the breakdown, failure or malfunction of any component, accessory or part thereof shall be considered breakdown, failure or malfunction of the entire engine or unit and any resulting **physical damage** to the engine or unit shall also be considered to be "mechanical or electrical breakdown, failure or malfunction."

(iii) to aircraft engines and auxiliary power units caused by:

- (1) foreign object damage (damage caused by object(s) not a part of the engine or unit or the accessories of either) whether resulting from ingestion or otherwise; or
- (2) heat which results from the operation, attempted operation or shutdown of the engine or unit.

Paragraph (1) of this exclusion (iii) does not apply if such **physical damage** is the result of a single incident sustained during the policy period which is of sufficient severity, when such **physical damage** is discovered, to require immediate repairs in compliance with the requirements of the aircraft engine or auxiliary power unit manufacturer.

Subparagraphs (i), (ii) and (iii) of this exclusion (f) do not apply if such **physical damage** is coincident with and the direct result of other **physical damage** covered by this policy.

(g) War, Hi-Jacking and Other Perils Exclusion.

Under all Coverages to claims caused by:

- (i) war, invasion, acts of foreign enemies, hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection, martial law, military or usurped power or attempts at usurpation of power;
- (ii) any hostile detonation of any weapon of war employing atomic or nuclear fission and/or fusion or other like reaction or radioactive force or matter;

(iii) strikes, riots, civil commotions or labor disturbances;

(iv) any act of one or more persons, whether or not agents of a sovereign Power, for political or terrorist purposes and whether the loss or damage resulting therefrom is accidental or intentional;

(v) any malicious act or act of sabotage;

(vi) confiscation, nationalization, seizure, restraint, detention, appropriation, requisition for title or use by or under the order of any Government (whether civil, military or de facto) or public or local authority; or

(vii) hi-jacking or any unlawful seizure or wrongful exercise of control of the aircraft or crew in flight (including any attempt at such seizure or control) made by any person or persons on board the aircraft acting without the consent of the **Named Insured**.

Furthermore this policy does not cover claims arising while the aircraft is outside the control of the **Named Insured** by reason of any of the above perils. The aircraft shall be deemed to have been restored to the control of the **Named Insured** on the safe return of the aircraft to the **Named Insured** at an airfield not excluded by the geographical limits of this policy, and entirely suitable for the operation of the aircraft (such safe return shall require that the aircraft be parked with engines shut down and under no duress);

(h) to **bodily injury** or **property damage** arising out of:

(i) noise, whether or not it is audible to the human ear, or vibration, including sonic boom or similar phenomena caused by the movement or operation of an aircraft or any of its parts; or

(ii) any interference with the quiet enjoyment of property of others caused by the operation of an aircraft or any of its parts.

(i) to **bodily injury** or **property damage** arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of **pollutants**:

(i) that are in or upon an aircraft;

(ii) that are contained in any property that is in or upon an aircraft.

Paragraphs (h) and (i) do not apply to **bodily injury** or **property damage** caused by or resulting from an aircraft crash, fire, explosion, collision or a recorded in-flight emergency causing abnormal aircraft operation.

(j) to **bodily injury** or **property damage** arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of **pollutants**:

- (i) at or from any premises, site or location that is or was at any time owned or occupied by, or rented or loaned to, any **Insured**;
- (ii) at or from any premises, site or location that is or was at any time used by or for any **Insured** or others for the handling, storage, disposal, processing or treatment of waste;
- (iii) which are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for any **Insured** or any person or organization for whom any **Insured** may be legally responsible; or
- (iv) at or from any premises, site or location on which any **Insured** or any contractors or subcontractors working directly or indirectly on any **Insured's** behalf are performing operations:
 - (a) if the **pollutants** are brought on or to the premises, site or location in connection with such operations by such **Insured**, contractor or subcontractor; or
 - (b) if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of **pollutants**.

Subparagraphs (j)(i) and (j)(iv)(a) do not apply to **bodily injury** or **property damage** arising out of heat, smoke or fumes from a hostile fire. In this exclusion, a hostile fire

means one that becomes uncontrollable or breaks out from where it is intended to be.

- (k) any loss, cost, or expense arising out of any:
 - (i) request, demand or order that any **Insured** or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of **pollutants**; or
 - (ii) claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to or assessing the effects of **pollutants**,

unless resulting from an **aircraft** crash, fire, explosion or collision or a recorded in-flight emergency causing abnormal **aircraft** operation.

In exclusion (k) above “**aircraft**” means the aircraft described in Item 4 of the Declarations (and when appropriate any aircraft qualifying under the provisions of the Insuring Agreements V, VI, VII or Non-owned Aircraft Endorsement, if any, attached to and forming part of the policy).

In exclusions (i), (j) and (k) above “**pollutants**” means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals, and waste. Waste includes materials to be recycled, reconditioned, or reclaimed.

LIMIT OF THE COMPANY'S LIABILITY

ALL COVERAGES (Other Insurance)

Except with respect to insurance afforded by Insuring Agreements V and VI and to insurance specifically purchased by the **Named Insured** to apply in excess of this policy, if there is other insurance in the **Insured's** name or otherwise, against loss, liability or expense covered by this policy, the Company shall not be liable under this policy for a greater proportion of such loss, liability or expense than the applicable limit of the Company's liability bears to the total applicable limit of liability of all valid and collectible insurance against such loss, liability or expense. Insurance afforded by Insuring Agreements V and VI shall be excess insurance over any other valid and collectible insurance available to the **Insured**, either as an insured under a policy applicable to the aircraft or otherwise. When the insurance afforded by this policy is excess over any other insurance, then the Company's limits of liability in this policy shall be reduced by the applicable limits of such other insurance if such other insurance shall have been written through Global Aerospace Underwriting Managers Limited or any of its subsidiaries or subsidiaries thereof.

COVERAGES A, B, C and D (Total Liability)

Regardless of the number of (1) **Insureds** under this policy, (2) persons or organizations who sustain **bodily injury** or **property damage**, (3) claims made or suits brought on account of **bodily injury** or **property damage**, or (4) **aircraft** to which this policy applies, the Company's liability is limited as follows:

Coverages A and B. The total liability of the Company for all damages, including damages for care and loss of services, because of **bodily injury** sustained by any one person as the result of any one **occurrence** shall not exceed the limit of liability stated in the Declarations as applicable to “each person”. Subject to the above provision respecting “each person,” the total liability of the Company for all damages, including damages for care and loss of services, because of **bodily injury** sustained by two or more persons as the result of any one **occurrence** shall not exceed the limit of liability stated in the Declarations as applicable to “each **occurrence**.”

Coverage C. The total liability of the Company for all damages because of all **property damage** sustained by one or

more persons or organizations as the result of any one **occurrence** shall not exceed the limit of the liability stated in the Declarations as applicable to “each **occurrence**.”

Coverage D. The total liability of the Company for all damages, including damages for care and loss of services, because of **bodily injury** or **property damage** sustained by one or more persons or organizations as the result of any one **occurrence** shall not exceed the limit of liability stated in the Declarations as applicable to “each **occurrence**.”

For the purpose of determining the limit of the Company’s liability, all **bodily injury** and **property damage** arising out of continuous or repeated exposure to substantially the same general conditions shall be considered as arising out of one **occurrence**.

COVERAGES A, B, C and D (Severability of Interests)

The insurance afforded applies separately to each **Insured** against whom claim is made or suit is brought, except with respect to the limits of the Company’s liability.

COVERAGE E (Total Liability)

The total liability of the Company for all **medical expenses** incurred by or on behalf of each **passenger** who sustains **bodily injury** as the result of any one **occurrence** shall not exceed the limit of liability stated in the Declarations as applicable to “each person.”

COVERAGES F, G and H (Total Liability)

In the event of a **total loss** the Company shall pay the Insured Value of the **aircraft** less any applicable deductible whereupon the Company’s liability with respect to such

aircraft shall terminate. In addition, the Company shall refund the pro rata unearned premium for such **aircraft**.

In the event of a **partial loss** the Company’s liability shall not exceed the “cost to repair” the **aircraft** as specified herein, less any applicable deductible, but in no event shall the Company’s liability for a **partial loss** exceed the amount for which the Company would be liable if the **aircraft** were a **total loss**.

The “cost to repair” shall consist of (a) transportation charges as specified herein and (b) the actual cost to repair the damaged property with materials and parts of like kind and quality with charges for labor at straight time rates. Transportation charges shall consist of the cost, where necessary, of transporting new or damaged parts or of transporting the damaged **aircraft** to the place of repair and return to the place of accident or home airport, whichever is nearer, by the least expensive reasonable means.

The Company shall have the right to return stolen property anytime before the loss is paid with payment for any resultant **physical damage**.

The amount specified as a deductible does not apply to losses caused by fire, lightning, explosion, transportation, theft, robbery or pilferage; however, loss caused by fire or explosion resulting directly or indirectly from collision of the **aircraft** while **in motion** shall be subject to the “**in motion**” deductible, if any.

In the event that two or more **aircraft** are insured hereunder, the applicable deductible shall apply separately to each.

“Partial Loss” means any **physical damage** loss which is not a **total loss**;

“Passenger” means any person in, on or boarding the **aircraft** for the purpose of riding or flying therein, or alighting therefrom after a ride, **flight** or attempted **flight** therein;

4. ADDITIONAL DUTIES OF NAMED INSURED
Coverages F, G and H

In the event of loss, the **Named Insured** shall

(a) protect the **aircraft**, whether or not the loss is covered by this policy and any further loss due to the **Named Insured's** failure to protect shall not be recoverable under this policy; reasonable expenses incurred in affording such protection shall be deemed incurred at the Company's request;

 - (4) to have been committed by an individual(s) as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.
- B. Limitation - No act shall be certified by the Secretary as an act of terrorism if:
- (1) the act is committed as part of the course of war declared by the Congress, except that this clause shall not apply with respect to any coverage for workers' compensation; or
 - (2) property and casualty insurance losses resulting from the act, in aggregate, do not exceed \$5,000,000.
- C. Determinations Final - Any certification of, or determination not to certify, an act of terrorism under this paragraph shall be final, and shall not be subject to judicial review.
- D. No delegation - The Secretary may not delegate or designate to any other officer, employee, or person, any determination under this paragraph of whether, during the effective period of the Program, an act of terrorism has occurred.

Federal Share of Compensation

If coverage is purchased (see Section III below), payments made under this policy, for losses caused by a certified "Act of Terrorism", will be reimbursed in part by the United States Government to us using a formula established by federal law. Under this formula, if the aggregate insured losses exceed a trigger amount (\$100,000,000 through 2015; \$120,000,000 beginning on January 1, 2016; \$140,000,000 beginning on January 1, 2017; \$160,000,000 beginning on January 1, 2018; \$180,000,000 beginning on January 1, 2019; and \$200,000,000 beginning on January 1, 2020), the United States Government generally reimburses a percentage (85% through 2015; 84% beginning on January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019; and 80% beginning on January 1, 2020) of covered terrorism losses exceeding the statutorily established deductible paid by us for losses arising from certified "Acts of Terrorism".

\$100 Billion Program Cap

TRIA contains a program cap of \$100,000,000,000 that limits United States Government reimbursement as well as our liability for losses resulting from certified "Acts of Terrorism" when the amount of such losses in any one calendar year exceeds the program cap. If the aggregated insured losses for all insurers exceed the program cap, coverage (if purchased) for "Acts of Terrorism" may be reduced.

II. Conditional Termination of this Disclosure

- A. The provisions of TRIA state that the Terrorism Risk Insurance Program "shall terminate on December 31, 2020." Unless the program is renewed, extended or otherwise continued by the federal government, this disclosure terminates upon the first occurrence of any of the following conditions:
- (1) the policy period ends; or
 - (2) the federal Terrorism Risk Insurance Program has terminated either in its entirety or with respect to the type of insurance afforded by this policy; or
 - (3) a renewal, extension or continuation of the Terrorism Risk Insurance Program has become effective without a requirement to make terrorism coverage available with respect to the type of insurance afforded by this policy.
- B. If none of the conditions set forth in paragraph II. A. above occur, this disclosure will remain in effect unless we notify you of changes in response to federal law.

III. TRIA Terrorism Coverage

As required by TRIA, an offer of terrorism coverage within the terms of TRIA ("TRIA Terrorism Coverage") was included in our quote. No insurance is afforded by this notice and no TRIA Terrorism Coverage is afforded under this policy unless such offer was accepted and TRIA Terrorism Coverage was purchased.

If TRIA Terrorism Coverage was purchased, TRIA endorsement(s) are attached to this policy and the premium for such coverage will be as stated in the binder as respects any such endorsement(s).

If TRIA Terrorism Coverage was not purchased, coverage for terrorism is excluded as provided in the policy, unless, as permitted by TRIA, alternative terrorism coverage was negotiated, in which case one or more endorsement(s) to this policy include the negotiated coverage for terrorism ("Alternative Terrorism Coverage"). If purchased, such Alternative Terrorism Coverage, includes portions which fall within TRIA (the "TRIA Portion"), as well as other coverage outside of TRIA, and the premium corresponding to the TRIA Portion of the Alternative Terrorism Coverage is 10% of the total premium for the endorsements providing the Alternative Terrorism Coverage.

Any TRIA Terrorism Coverage and the TRIA Portion of any Alternative Terrorism Coverage is subject to all of the disclosures and limitations set forth in Section I above.

IV. Application

Nothing contained in this disclosure shall vary, waive, alter, or extend any of the terms, conditions, agreements or provisions of this policy, other than as above stated.

Notwithstanding anything in the policy to the contrary, as used in this disclosure, the words "you" and "your" refer to the Named Insured shown in the Declarations and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the insurers shown in the Declarations, providing this insurance.
